Procedures

1. Each applicant must file an official BCTGM International Union Scholarship Program Application form obtainable from the Local Union or through the International Union Scholarship Program Office. The BCTGM Local Union Financial Secretary must endorse this one-page application form indicating that the member or parent of an applicant is in good standing. **This must be done before the application is sent to the Scholarship Program Office.**
- 2.

All endorsed APPLICATIONS must be RECEIVED at the International Union Headquarters no later than JANUARY 31, 2010.

3. Upon receipt of an official scholarship application, properly endorsed, the International Union Scholarship Program Office will send a complete packet of information to the applicant, including materials needed to complete the following requirements:

- a. **PERSONAL PROFILE**—To be completed by the applicant.
- b. **ACADEMIC REPORT**—Each applicant is responsible for having an Academic Report completed by the high school (or college, if a member). The report should reflect the first semester grades for the senior year (or most recent academic performance, if a member). BCTGM should receive this report no later than **March 31, 2010**. All records and information received SHALL remain confidential.

- c. **ESSAY**—Each applicant is required to write and submit an essay (250-500 words) to demonstrate your ability to organize thoughts and express yourself. Your essay may be one of the following:

- ▶ Same essay as the essay requirement from your college application, or
- ▶ Same essay as the Union Plus Scholarship application (*U.S. applicants only*), or
- ▶ Essay on *"Organized Labor's Contribution to the Welfare of the People of North America."*

The purpose of this essay is not to provide a history of the labor movement, but to provide the Board of Judges with an opportunity to discover what you have learned about the labor movement's important contributions to our society. Your discussion could, for example, center on social and economic changes which the labor movement has helped to bring about in such areas as hours and conditions of work, workers' compensation, social security, health care, unemployment benefits, housing, civil rights and equal rights, occupational health and safety, the minimum wage, tax reform, child labor laws and other progressive social legislation. Your essay may be submitted in French or English. The packet includes a list of suggested reading materials to assist you in researching your essay.

All requirements are due at the Scholarship Program Office no later than March 31, 2010.

Selection of Scholarship Recipients

The U.S. judges shall select the most qualified U. S. applicants. Judging of the Canadian applications will be conducted in Canada by a bilingual judge. **Up to three** of those selected may be members of the BCTGM. **At least one** of those selected must be a Canadian. The decisions of the Board of Judges shall be final. Announcement of the winners will be made during the month of May.

Upon being notified that a Scholarship Award has been granted, the winner shall immediately notify the BCTGM International Union Scholarship Program to which school the winner has been accepted for proper handling of the one-time scholarship award.
