To the Dannon Workers Employed at the West Jordan, Utah Plant

From: BCTGM Local 19, Cleveland, Ohio

Our Officers and staff along with more than 5000 active and retired Local 19 members strongly support your efforts to improve your lives as well as those of your family members by voting to join a strong Labor Union.

Upon becoming members of BCTGM Local 401 you will join with thousands of your co-workers worldwide, who have also chosen to unionize, and who currently make up over 75% of all of Dannon's work force both here and abroad.

We urge all of you to keep up your solidarity and to not be fooled by the union busting tactics of your local management team that is working hard to interfere with your democratic rights and choices. Clearly, their interests are not in your best interest.

Good luck in your upcoming Union election. We at Local 19 await to applaud your decision to strike a blow for your future and that of Dannon Workers everywhere. Solidarity Forever!

Sincerely,

Officers and Staff
